24 On June 17, 2025, this Court entered an order granting final approval (the “Final Approval
25 Order”) (ECF No. 116) of the Settlement Agreement between the Settlement Class
26 Representatives, on behalf of themselves and the Settlement Class, and PostMeds, Inc. d/b/a
27 TruePill (“PostMeds”), In the Final Approval Order, the Court directed Class Counsel to file a
28

1 post-distribution accounting 21 days after the stale date for payment checks to Settlement Class
2 Members.

3
4 Class Counsel has now filed the requisite post-distribution accounting. Upon reviewing
5 this filing, the Court is satisfied that the distribution of the Settlement Funds has been carried out
6 in accordance with the Settlement Agreement and the Court's Final Approval Order. While the
7 post-distribution accounting is not yet final, the Court sees no reason to continue the withholding
8 of attorneys' fees at this time.

9 As such, the Court directs the Settlement Administrator to release the remaining 10% of
10 attorneys' fees withheld to Class Counsel at this time.

11 IT IS SO ORDERED this ____ day of December 2025.
